### Teamwork

Challenger Lifts 44012LR is the best choice for a two person oil change operation. This Lube Rack is optimized for speed and efficiency. Its design allows one person to check fluids under the hood while standing on the diamond plated catwalk and another underneath, to change filters and fluids.

With optional drive thru ramps and oil drain pan, the 44012LR is a perfect supplement to any service facility.

### Features:

- Walkways and handrails provide safety and security allowing 2 people to work on oil changes
- Front gate and moving ladder with wheels provide convenience and drive-thru flexibility
- Optional 32 gallon oil drain pan's high capacity decreases down time increasing productivity
