

Challenger Lifts

Why Choose a Challenger 4-Post?

- » Available in capacities from 12,000 lbs. to 60,000 lbs.
- » Open or closed front general service and alignment packages available.
- » Solid piece column construction design.
- » Superior lifting systems.
- » Multiple locking positions allow technician to work at an ergonomic height.
- » The most workspace underneath vehicles - 12,000 lb. models feature the highest rise (78") in the industry.
- » Single point lock release system allows technician to disengage all column locks simultaneously.
- » Optional accessories like rolling jacks, air/electric workstations and oil drain pan kits make Challenger Lifts 4-post the complete servicing package.

4P12series, 40series and AR40series models available in 12,000 lb. capacity.

Heavy-Duty 4-Posts available in 18,000 / 30,000 / 40,000 / 50,000 / 60,000 lb. capacities.

Many accessories to choose from.

4-Post Accessories

Rolling Jacks

Broaden your service revenue. Rolling jacks available from 6,000 lb. to 35,000 lb. capacity for easy access to brakes and wheels.

- » Available in Air/Hydraulic or Air-Only operated green design models
- » Air-Only models feature air valve with three-way spring loaded, no-spark design for safety and durability

Part #: RJ6
6k lb. capacity
Air/Hydraulic

Part #: RJAB6
6k lb. capacity
Air-Only

Air/Electric Workstation

Increase productivity with air supply and electric outlets on the lift column.

- » Convenient power source for extension lights and other tools
- » Air supply will always be at arms reach for facilities using impact wrenches

Part #: 10310

Part #: 10266L

Part #: 10267

Part #: B40161

Part Number	Description
10310	Air/electric workstation with filter/lubricator/regulator
3PH4P	3 phase power unit upgrade
10267	Oil drain pan kit - 32 gallon
10342	Hanging tool holder for 10267
10500	Turning radius gauges for 40series, 4P12series, AR40series & 44018AR, black powder coat
10500SS	Turning radius gauges for 40series, 4P12series, AR40series & 44018AR, stainless steel
10500HD	Turning radius gauges for 44030AR black powder coat
RJ6	Air/Hydraulic Rolling jack - 6,000 lb. capacity for 40series, 4P12series & AR40series
RJAB6	Air-Only Rolling jack - 6,000 lb. capacity for 40series, 4P12series & AR40series
RJ9A	Air-Only Rolling jack - 9,000 lb. capacity for 44018AR
RJ9S	Air-Only Rolling jack - 9,000 lb. capacity for 44018 & 44018E
RJ15	Air-Only Rolling jack - 15,000 lb. capacity for 44030 thru 44060
RJ25	Air-Only Rolling jack - 25,000 lb. capacity for 44040 thru 44060
RJ35	Air-Only Rolling jack - 35,000 lb. capacity for 44050 thru 44060
40200-3D	Bolt-on alignment kit - no radius gauges for 40series & 4P12series
40200-3DBK	Bolt-on alignment Kit including black powder coat radius gauges for 40series & 4P12series
40200-3DSS	Bolt-on alignment Kit including stainless steel radius gauges for 40series & 4P12series
40230X	Internal air line kit for dual rolling jacks (40Xseries and 4P12XFX)
40230E	Internal air line kit for dual rolling jacks (40Eseries & 4P12EFX)
40230S	Internal air line kit for dual rolling jacks (40N & 40S series)
44AK18	Internal air line kit for dual rolling jacks (44018 & 44018E)
44AK30	Internal air line kit for dual rolling jacks (44030series)
44AK40	Internal air line kit for dual rolling jacks (44040 - 44060series)
44RK12	Ramp kit, pivoting - 28" long (44012LR and 44012DLR)
44RK18	Ramp kit, pivoting - 39" long (44018, 44018E)
44RKE18	Ramp kit, pivoting - 52" long (44018AR)
44RK30	Ramp kit, pivoting - 36" long (44030series)
44RKE30	Extended ramp kit, pivoting - 72" long (44030series)
44RK40	Ramp kit, fixed - 96" (44040 - 44060 series)
44EK3	36" bolt on runway extension kit (44030series)
10266	Louvered Ramp Kit for drive-thru application - 36" long (40series and 4P12series only)
10266L	Ramp Kit for drive-thru application - 48" long (40series and 4P12series only)
